

The **BEACON**

2008 AND 2009 YACHT CLUB OF THE YEAR

My Opening Day Speech

Welcome everyone.

I just have a few things to share with you. We at SCCYC take great pride in our short ceremony. The record is 17 minutes held by commodore Terry Stingfellow. We are now seven minutes into the program.

So...

I love South Coast Corinthian

I love that we are an all volunteer club, no paid help, members run the races, cook for the membership dinners, vacuum the carpets, repair the stairs, arrange for the termite tenting and take out the trash. This last task is usually reserved for to the Commodore. This year I am also the editor of the club new letter, the Beacon so let me get a photo for the next issue. (take snap shot) Thank you, if you go to SCCYC org early next month you should be able to see a picture of your self.

I love that we have all of about 70 members. This means that at my advanced age and corresponding abilities to remember names I have a fighting chance to know the name of every member coming through the door. For years as I came into the club it would be "hey Bruce" now it is "hey Commodore". It reminds me of he opening sequence in the TV show Cheers, when

Norm would walk in. Except I never have a snappy response, it just "hey guys"

I am proud that the club is 78 years old. There just something kinda neat about being involved in a club that old.

If you love someone or something there really is no way to wish they would change. So yes South coast is fine the way it is. As a lover my interest is and I dedicate my year as commodore to just maintain and nurture the club.

insure the club stays health in the short and long term.

Thank you.

Oh wait, let me check the watch. All right only 14 and and half minutes!

We have 2 minutes left to break the record.

LES STORRS

5^{open}.70

Second Place

First Place

The First and Second places went to Jerome and Tracey, not me.

Can you spot the problem?

This is from one of the starts during Les Storrs. Something is going wrong in this picture. No, it is not that the flags are blowing in three directions. The wind was blowing in three directions all at the same time.

Hint: Nik Vale spotted the problem right away and took this picture

South Coast has a really large collection of Yacht Club Burgees. Something to be proud of. We could be even more proud if we knew what Yacht Club each represented. The five flags below are the last of my "Mystery Burgees". A couple of years ago we had about 16 unidentified flags.

Please do not suggest that I check the internet. I have spent an embarrassing number of hours following links in Google, Yahoo, and other search engines.

So take a look, memorize a couple and watch for them in your travels to other Yacht Clubs around the world.

Love ya all

Bruce
