COMMODORE'S REPORT
by Jerry Magnussen

MS Sail Sets Sail in July

Time to sail for MS. On Sunday, July 29, 2007, South Coast Corinthian Yacht Club will sail for MS. This is our second year for the MS Sail event and this year we are inviting other yacht clubs to sail with us.

MS is a chronic, unpredictable neurological disease that affects the central nervous system. Anyone may develop MS. Approximately 400,000 Americans acknowledge having MS, and every week about 200 people are diagnosed. Worldwide, MS may affect 2.5 million individuals. For more details on MS please go to the MS Society website at:

<http://www.nationalmssociety.org>

This event is our way to give back to the community by doing what we love to do – sail. Skippers, sponsors, racers and donors have a great opportunity to help a worthy cause.

Sail boats, power boats, dinghies, kayaks and just about anything that floats is welcome to join. The course will vary according to size and seaworthiness of the craft.

Directions on how to enter your boat in the event will be available shortly. You can start now by soliciting friends, crew, and business associates to sponsor your boat. Once your boat appears on the site (get the photo ready), the sponsors can go to the site and pledge.

Boats may enter if you are racing in a regatta or participating in the MS Sail Cruise to the Santa Monica Pier and return. You are encouraged to invite your sponsors to come along.

Please have your friends and family consider this worthy event in their charitable contributions for 2007

VICE COMMODORE'S REPORT
by Stu Coleman

It's been another great month around the clubhouse as we've hosted events for the USCG, WSA, SBYRC, SFVYC as well as our Corinthian Cup Race and some great member dinners. Our trip to La Paz was a great break from racing Indy and Reliance but there is still a full season ahead with dinghy racing, doublehanded races, Women at the Helm, and Race Committee.

Coming up we have SCCYC night at the races on Friday, June 29th, a Kayak Paddle day on Sunday, July 1st in Newport,

the 1-Design Weekend on July 21-22, The Lido Fleet 2 championship on July 28 and dinners on the Fridays: 7/6, 7/20 and 8/3. Speaking of dinners, we are looking for volunteers to prepare these upcoming meals. (Plan on 20 people, you cook or pick-up, and we help clean-up). It's a great feeling to feed a room full of people and share in conviviality that is SCCYC. So, stop by the club, tell a tale, take a new member out for a sail, take your Lido out, (Don't have one? Crew one!)

L₁₄ LIDO ROUNDUP

by Stu Coleman

The CYC Sunstroke Series has run 8 of their 19 races with a core group of SCCYC racers out every week. Both Kelly Cantley on *Transitio* and Shari and me on *Indy* have perfect attendance which helps in the series scoring (until throwouts are factored in.) Bandito is currently leading the series with Bruce and his rotating teams scoring well each night. There have been a few new Lidos on the course coming in from DRYC and they are threatening to bring more on to the course. (If only they would get their registrations sorted out, the series scores would look different)

6195 has a new name and a new mascot after Tom and Karmen's renaming ceremony

Bruce Fleck has done a nice job with the last two Friday Sundowner races at Del Rey Yacht Club and we saw some of these new/old DRYC Lidos splashing around the course. After 2 races, Kelly and *Transitio* is leading with

With some of the racers doing the Lido shuffle, Tom and Karmen Estlow officially renamed Hull 6195 to *Cat in the Hat*, partly as an homage to its former owner and in keeping with their history of cartoon characters.

The Lido Fleet 2 Championships are scheduled for Saturday, July 28th, hosted by SCCYC in the Marina Del Rey exit channel. This will be day one of the SCCYC MS Sail weekend. Come on out and sail or join in the festivities at the club.

e had a great Corinthian Cup race/cruise over the Memorial Day weekend. The weather was warm and the winds were breezy. Twenty-Three racers and one cruiser; Terry Stringfellow and Becky R. aboard *Doghouse*, ventured down to Redondo Beach Yacht Club for fun and food on Saturday.

The entries consisted of 7 boats from SCCYC, 6 boats from RBYC, 8 from SFVYC and were rounded out with a few more boats from other Santa Monica Bay clubs. The boats were divided into three classes: PHRF, Cruiser over 30 and Cruiser 30 and

under, with 10 boats being the largest fleet, including the entirety of the SCCYC Columbia 22 fleet.

Staff Commodore, Sandy Bartiromo and Diana provided the Race Committee boat aboard *Christine* with PRO Bob Kellock, and scorer, Samantha Carlson.

Thanks to RBYC Commodore, Don Laverty, almost all racers had pre-assigned slips to tie up to once they arrived at King Harbor. At RBYC that

evening, racers enjoyed a great barbeque dinner cooked by the RBYC Members featuring some of the biggest, juiciest chicken breasts I have ever seen.

Sunday followed the same pattern as Saturday, except everyone went north instead of south. They gathered again at SCCYC on Sunday for a BBQ and trophy presentation featuring the latest in the series of satin-etched pint glasses. The top four finishers in each class glass received glassware as did everyone who worked race committee and hospitality.

The winner in each class was based on the total time for both race days. In the Cruiser under 30' class the top three were the same boats in the same order of finish as last year.
