**Cruise Host** TBD (this could be you)

We're going to do an easy overnight to Redondo Beach. King Harbor Yacht Club has graciously offered us their docks for the night of February 19<sup>th</sup>. The plan is to do a longer sail on the 19<sup>th</sup> (down to 10PV or beyond), return to King Harbor with dinner on land somewhere (restaurant maybe or we can do a pot luck at the KHYC galley). The KHYC bar is open until 22:00 on Sunday night for after dinner drinks too. Monday would be a shorter sail back to Marina del Rey.
